

Working Documents ICRA

| Country | No | Titel | Year |
|--------------|-----|--|------|
| Mali | 135 | Appui au développemnt de la chaîne de valeur du pois suc're à Farakala, Sikasso, Mali | 2008 |
| Burkina Faso | 134 | Appui au développement d'un Pôle d'Enterprises Agricoles autour de la chaîne de valeur sésame dans la Prvinde de la Sissili, Burkina Faso | 2008 |
| South Africa | 133 | Can it be achieved? Partnering towards improving livelihoods in Ganspan settlement | 2008 |
| South Africa | 132 | Towards finding options for sustainable natural resource management in the Sterkspruit area, Eastern Cape province, South Africa – Does LandCare lead to changes in perceptions on land degradation? | 2007 |
| Mali | 131 | Contribution à la amélioration de la compétitivité de la filière maïs dans le cercle de Koutiala – Mali | 2007 |
| Benin | 130 | Analyse diagnostique et prospective de la filière riz dans la vallée de l'Ôuémé – Benin | 2007 |
| South Africa | 129 | Livelihoods in the rural areas of Blouberg municipality (Gemark&Early Dawn Villages) Limpopo Province, South Africa | 2006 |
| Kenya | 128 | Water for the thirsty – A case study of Katulani location water situation, Kitui District, Kenya – study 2006 | 2007 |
| Morocco | 127 | Quelle stratégie de recherche-développement pour l'élevage caprin dans la Province de Chefchaouen - Maroc | 2005 |
| Algeria | 126 | Quel rôle pour les fermes-pilotes dans la préservation des ressources génétiques en Algérie | 2005 |
| Ugana | 125 | Kabale apples: boom or burst ? A study to develop strategies to exploit market opportunities for apple farmers in Kabale, Uganda | 2005 |
| South Africa | 124 | Can we get them there? A case of commercializing arable farming at Rust de Winter farms of Limpopo Province, South Africa. Opportunities for commercial agricultural production for Rust de Winter farms, in recognition of limited irrigation water | 2005 |
| Ghana | 123 | Micro-credit as an instrument to promote indigenous food resources in Ghana. The case of Abomosu snail farmers in the Eastern Region, Ghana | 2005 |
| Rwanda | 122 | Les systèmes de production de la pomme de terre au Rwanda. Propositions d'actions de recherche et de développement dans les Provinces de Ruhengeri et Gisenyi, Rwanda | 2004 |
| Morocco | 121 | Agrobiodiversité et durabilité des systèmes de production oasiens dans la palmeraie d'Aoufouss Maroc | 2004 |
| Madagascar | 120 | Concilier exploitation des ressources naturelles et protection de la forêt. Cas du Corridor Forestier de Fianarantsoa. | 2004 |
| Laos | 119 | Diffusion des innovations en matière de conservation des sols à travers l'apprentissage par l'action dans le sud de la Province de Sayaboury, RDP Laos | 2004 |
| South Africa | 118 | Goat production and livelihood systems in Sekhukhune District of the Limpopo Province, South Africa. Opportunities for commercialising goats and their by-products | 2004 |
| Ghana | 117 | Assessment of constraints and opportunities for small and medium scale processing of cassava in the Ashanti and Brong Ahafo Regions of Ghana – July 2004 | 2004 |
| Armenia | 116 | Cooperating to reconstruct rurality. A study of institutional support needs for agricultural livelihoods in Sisian and Goris regions of Syunik marz, Armenia | 2004 |
| Tunesia | 115 | Valorisation de savoirs et savoir-faire: Perspectives d'implication des acteurs, dont la femme, dans la conservation in-situ de la biodiversité du palmier dattier dans les oasis du Djérid, Tunisie | 2003 |
| Marocco | 114 | Reconvertir le système d'irrigation: un pari difficile du périmètre irrigué du Tadra, Maroc | 2003 |
| Marocco | 113 | Systèmes de production oasiens et sylvo-pastoraux: interactions, complémentarités et développement durable. Cas du bassin de Ghéris, Maroc | 2003 |
| Burkina Faso | 112 | Diffusion des stratégies de gestion intégrée de la fertilité des sols dans le Zoundwéogo, Burkina Faso | 2003 |
| South Africa | 111 | South Africa | 2003 |

| | | | |
|--------------|-----|--|------|
| Indonesia | 110 | Towards a competitive Jeruk production. Enhancing production and institutional factors for quality Jeruk production in the North Sumatra highlands, Indonesia | 2003 |
| India | 109 | India | 2003 |
| Ghana | 108 | Combining mechanisation with conservation agriculture in the transitional zone of Brong Ahafo region of Ghana | 2003 |
| Tunesia | 107 | Sauvegarder la diversité génétique du palmier dattier à l'oasis de Dégache (Tunisie). Problèmes et perspectives | 2002 |
| Togo | 106 | Analyse des stratégies d'intensification de l'agriculture à partir des champs de case dans la Région des Savanes, Togo | 2002 |
| Marocco | 105 | Analyse des systèmes de production oasiens et des stratégies des agriculteurs dans la province d'Errachidia au Maroc | 2002 |
| Benin | 104 | Quelle recherche forestière pour la région centrale du Bénin? | 2002 |
| South Africa | 103 | Towards sustainable land and water use management. Constraints and opportunities for research and development in the farming systems of Mankwe and Madikwe Districts, North West Province, South Africa | 2002 |
| Ghana | 102 | Indigenous leafy vegetables in the Uper East Region of Ghana. Opportunities and constraints for conservation and commercialisation | 2002 |
| Ethiopia | 101 | Opportunities for crop diversification and better crop-livestock integration in the Highlands of Arsi, Ethiopia | 2002 |
| Ethiopia | 100 | Food insecurity in a bread basket. Food security among household in the different agro-ecological zones in Arsi Negele Woreda, Ethiopia | 2002 |
| Marocco | 99 | Périmètre irrigué du Gharb au Maroc: quelles actions de recherche et de développement pour l'amélioration raisonnée du niveau d'intensification? | 2001 |
| Madagascar | 98 | Les systèmes de productions dans le Haut Bassin du Mandrare: quelles priorités pour le développement? Cas des communes de Tsivory, Maromby et Ebelo, Madagascar | 2001 |
| Congo | 97 | Conditions de dynamisation de l'agriculture du Front Pionnier Nord de Brazzaville au Congo | 2001 |
| Benin | 96 | Importance, contraintes et voies de développement des élevages urbains et périurbains dans la Région Sud du Bénin | 2001 |
| South Africa | 95 | Rural livelihoods and land degradation in Herschel district, Eastern Cape Province, South Africa - options for sustainable land management | 2001 |
| South Africa | 94 | Towards sustainable communal land use systems - current constraints and research and development opportunities for sustainable livestock production systems for the resource poor in Ganyese And Kudumane Districts in the North West Province of South Africa | 2001 |
| Indonesia | 93 | Towards sustainable small-scale farming - research and development options for enhanced integration of cattle in lowland irrigated rice systems in Lombok Island, Indonesia | 2001 |
| Ethiopia | 92 | The shift to cereal monocropping, a threat or a blessing? Towards sustainable agricultural production in the Highlands of Southeast Oromia, Ethiopia | 2001 |
| Togo | 91 | Intensification durable de l'agriculture urbaine et périurbaine à Lomé - Togo. Cas du maraîchage | 2000 |
| Marocco | 90 | L'agriculture dans le périmètre irrigué du Tadla-Maroc. Quelles perspectives de développement? | 2000 |
| Cambodja | 89 | Contraintes et opportunités de l'agriculture péri-urbaine de Phnom Penh - Cambodge. Cas de la Province de Kandal (District de Saang) | 2000 |
| Brazil | 88 | Durabilité du système de transformation semi-industrielle du manioc dans le district de Pacuí, Etat de l'Amapá, Brésil | 2000 |
| India | 87 | Farmer's visions on future farming systems: Strategies for livestock and forage development in the Eastern Plateau Region, India | 2000 |
| Ghana | 86 | Sustainable farming practices. Towards reducing the expansion of the Forest Savanna Transition Zone of the Sekyere-West and Ejura-Sekyedumase districts of the Ashanti Region of Ghana | 2000 |
| Ghana | 85 | Towards sustainable agricultural development. Research & development options for improved integrated water management for agriculture of the Upper East Region of Ghana | 2000 |
| Ethiopia | 84 | Natural resources under threat. An Analysis of the Farming Systems of Gimbo Woreda, Kafa-Sheka Zone, Ethiopia | 2000 |

| | | | |
|-------------|----|---|------|
| Togo | 83 | Options d'intensification durable des cultures vivrières au sud du Togo | 1999 |
| Marocco | 82 | L'Olivier et les systèmes de production des zones de montagne. Cas de la région de Taounate, Maroc | 1999 |
| Madagascar | 81 | Impact des variétés améliorées de riz dans la région de Tsiroanomandidy, moyen-ouest de Madagascar | 1999 |
| Brazil | 80 | Etudes des systèmes de production agricole du district de Pacuí, état de l'Amapá, Brésil | 1999 |
| Uganda | 79 | Towards a better integration of livestock and crops in the Teso farming system, Uganda, | 1999 |
| India | 78 | Enhancing natural resource management capacity of local communities through indicators and enabling technologies. Analysis of three micro-watersheds in Bellary District, India | 1999 |
| Ghana | 77 | Towards sustainable agricultural development. Research & development options for improved integration of crop-livestock-fishery systems in irrigated and rainfed agricultural areas of the Upper East Region of Ghana | 1999 |
| Ethiopia | 76 | Livelihood and drought coping strategies of farm households in the Central Rift Valley, Ethiopia: Challenges for agricultural research | 1999 |
| Tunesia | 75 | Analyse du système d'encadrement agricole des oasis de Gabès, Tunisie | 1998 |
| Marocco | 74 | Recherche agronomique pour le développement des systèmes de production en montagne. Etude d'appui au développement rural de la Province d'Ifrane, Maroc | 1998 |
| Madagascar | 73 | Quelle recherche pour le développement des zones marginales de la région sud-ouest de Madagascar? Cas du Plateau de Vineta | 1998 |
| Congo | 72 | Filières légumières et carnées à Pointe Noire, Congo | 1998 |
| Uganda | 71 | Farm typology: Targeting development and research for smallholder dairy systems of the Lake Crescent Region of Uganda | 1998 |
| Kenya | 70 | Participatory approach to soil mapping and management: A case study of Kasikeu Sub-Location of Makueni District in the lowlands of semi-arid eastern Kenya | 1998 |
| India | 69 | Towards sustainable livestock management: Constraints and opportunities for conversion from free range grazing to managed feeding in Bundelkhand, India | 1998 |
| Ethiopia | 68 | A participatory systems analysis of the termite situation in West Wollega, Ethiopia | 1998 |
| Tunisia | 67 | L'aménagement des périmètres publics irrigués en zones arides. Les atouts et les limites: Le cas de Bir Amir (Tataouine). Tunisie | 1997 |
| Marocco | 66 | Quelle recherche pour le développement des zones de montagne au Maroc? Cas de trois communes rurales du Moyen-Atlas | 1997 |
| Ivory Coast | 65 | Impact des activités des points d'étude système (PES) de l'IDESSA dans le Centre-Ouest de la Côte d'Ivoire | 1997 |
| Cambodja | 64 | L'agriculture péri-urbaine à Siem Reap (Cambodge): Contraintes et perspectives de développement | 1997 |
| Pakistan | 63 | Production problems of oilseed growers in Punjab: An assessment of development and research needs for small and medium farmers. Pakistan | 1997 |
| Kenya | 62 | Evaluating the possibilities of improving net livestock productivity in Lare Location, Njoro Division, Kenya: Matching existing technologies with farmers' strategies | 1997 |
| Ethiopia | 61 | Coping with low and erratic rainfall in the Eastern Zone of Tigray: Proposals for participatory research and development with farmers. Ethiopia | 1997 |
| Ethiopia | 60 | Strengthening farmer participatory research and development in Jijiga Zone: The case of moisture stress reduction in the plains and soil fertility management in the hills. Ethiopia | 1997 |
| Brazil | 59 | Building a bridge to São José do Norte: Diagnosis for research needs of family farms. Brazil | 1997 |
| Marocco | 58 | Etude de l'état actuel des terres de parcours dans le Maroc Occidental Central: Cas des communes rurales de Ouled Fares El Halla (El Borouj) et Ouled Fennane (Oued Zem) | 1996 |
| Mali | 57 | Introduction du coton dans le Cercle de Kita, Mali: Dynamique et perspectives | 1996 |
| Guinée | 56 | Les paysans et la riziculture de plaine dans le Bassin de la Fié: Cas du District de Loïla, Haute Guinée | 1996 |
| Gabon | 55 | Agriculture itinérante et enjeux fonciers dans la Province de l'Estuaire, Gabon | 1996 |
| Kenya | 54 | Akamba in the hills: A participatory study of farmer constraints, opportunities and research needs in the hilly masses of Eastern Kenya | 1996 |
| Ghana | 53 | Production and marketing of yams in the forest/savanna transition zone of Ghana | 1996 |

| | | | |
|--------------|----|--|------|
| Ethiopia | 52 | Supporting agricultural innovation in two districts of Western Hararghe: The role of research, extension and farmers | 1996 |
| Brazil | 51 | Ways out of crisis: Options for family farm milk producers in Southern Brazil | 1996 |
| Tunesia | 50 | Les systèmes d'élevage et l'exploitation des parcours collectifs en zones arides: cas d'El-Ouara de Tataouine, (Sud-Est Tunisien) | 1995 |
| Marocco | 49 | Typologie des élevages ovins en bour intermédiaire Atlantique du Maroc: fonctionnement actuel et perspectives. Résultats d'un diagnostic rapide | 1995 |
| Mali | 48 | Diagnostic rural du Cercle de Kayes, Mali | 1995 |
| Guinée | 47 | Gestion de l'espace rural et sédentarisation de l'agriculture autour de la forêt classée de Zياما et ses enclaves, Guinée Forestière, République de Guinée | 1995 |
| Burkina Faso | 46 | Stratégies paysannes et libéralisation du secteur agricole. Le cas de Zabré, Burkina Faso | 1995 |
| Uganda | 45 | Towards revitalising livestock industry in Mukono District, Uganda | 1995 |
| China | 43 | Farmer differentiation and participation in agricultural development planning in Longhui Watershed, Jiangxi, China | 1995 |
| Brazil | 42 | Family farms under threat: The sustainability of peach production systems in South Brazil | 1995 |
| Tunisia | 41 | Valorisation et gestion des eaux d'épandage de l'Oued El Fekka à Sidi Bouzid, Tunisie | 1994 |
| Mali | 40 | Etude de la dynamique d'évolution des exploitations agricoles dans la zone d'intervention de l'office du Niger, Mali | 1994 |
| Guinée | 39 | Interaction entre les mouvements migratoires et les systèmes agraires dans la plaine des Timbi, cas du district de Tossokere, Fouta Djallon, Guinée | 1994 |
| Burkina Faso | 38 | Diagnostic du système de production agro-pastoral de deux villages, Katchari et Yakouta, Région de Dori, Burkina Faso | 1994 |
| Tanzania | 37 | A dynamic farming system, the case of Kyela district, Tanzania | 1994 |
| Indonesia | 36 | Improvement of agricultural systems in dry lands of Indonesia, the case of Sumba, Indonesia | 1994 |
| Ghana | 35 | Perceptions of agriculture, a study of two villages in Suhum district, eastern region of Ghana | 1994 |
| China | 34 | Vegetable boom and the question of sustainability in Raoyang County, North China | 1994 |
| Guinée | 33 | Diversité des stratégies paysannes dans la zone de Koba, Guinée | 1993 |
| Gabon | 32 | La production vivrière et la dynamique commerciale dans le Département du NTEM, Nord Gabon | 1993 |
| Burundi | 31 | Contribution au diagnostic des systèmes de production agricole de la Province de Muyinga, Burundi | 1993 |
| Tanzania | 30 | In search of water: A study of farming systems in the lowlands of Arumeru District, Tanzania | 1993 |
| Indonesia | 29 | Constraints and development potentials of Yogyakarta critical uplands, Indonesia | 1993 |
| Ghana | 28 | Coping with uncertainty: Challenges for agricultural development in the Guinea Savanna Zone of the Upper West Region, Ghana | 1993 |
| China | 27 | Farmers in industry: An analysis of the agricultural systems in Eastern Wu'an, China | 1993 |
| DR Congo | 26 | Etude du dynamisme de l'agriculture peri-urbaine de Dolisie, République du Congo | 1992 |
| Burundi | 25 | Etude de la zone encadrée par le CVHA II: Problématique du système de vulgarisation et de l'appui à la commercialisation, Burundi | 1992 |
| Burkina Faso | 24 | Performances des systèmes de production villageois et pressions sur la forêt classée de Dinderesso, Burkina Faso | 1992 |
| Phillippines | 23 | An analysis of rice-based farming systems in Valderrama, Antique, The Philippines | 1992 |
| Thailand | 22 | Analysis of constraints and potential for rural diversification in rainfed rice-based farming systems, Nakhon Sawan Province, Thailand | 1992 |
| Tanzania | 21 | Coming down the mountain: A study of agriculture on the slopes of Mount Kilimanjaro, Tanzania | 1992 |
| Nigeria | 20 | Analysis of the farming system in the Hadejia Jama'are floodplain, Northern Nigeria | 1992 |

| | | | |
|--------------|----|---|------|
| Togo | 19 | Organisations villageoises et stratégies de production agricole dans quatre villages de la région des Savanes au Togo, Dapaong, Togo | 1991 |
| Cameroon | 18 | Baisse de fertilité et crise cotonnière au Nord-Cameroun. Etude de cas des villages de Djalingo et de Mayo Dadi, Département de la Bénoué, Cameroun | 1991 |
| Burundi | 17 | Problématique de changement des systèmes d'exploitation agricole traditionnels dans la zone couverte par la SRD Buragane, Makamba, Burundi | 1991 |
| Tanzania | 16 | An analysis of agricultural and livestock production systems in Misungwi Division, Lake Zone, Tanzania | 1991 |
| Tanzania | 15 | Analysis of the coffee based farming system in the Matengo Highlands, Mbinga District, Tanzania | 1991 |
| Indonesia | 14 | Productivity and sustainability of the farming systems in two upland villages of Central Java, Salitaga, Indonesia | 1991 |
| Togo | 13 | Contribution à l'étude des stratégies de production dans le système agricole de la zone d'Agou, Togo | 1990 |
| Thailand | 12 | Constraints to and opportunities for agricultural diversification of a rice-based farming system in the Lower-Northern Region of Thailand, Phitsanulok Province, Bang Ra Kam District. | 1990 |
| Tanzania | 11 | An analysis of agricultural and livestock production systems in Usagara Division, Tanzania | 1990 |
| Cameroon | 10 | Agricultural research and extension: a contribution to understanding of the linkages with small-scale farmers. A case study in Kumba Corridor Agro-ecological Zone, South West Province, Cameroon | 1990 |
| Zimbabwe | 9 | Changing farming systems in a migrant labour economy: Masvingo South Communal Area, Masvingo Province, Zimbabwe | 1989 |
| Togo | 8 | Population, food security and farming systems: Agricultural research and development priorities for maintaining food security of the rural population on de degraded "Terres de Barre", Togo | 1989 |
| Thailand | 7 | Opportunities for diversification in a rainfed drought prone rice based farming system: Donchedi District, Suphan Buri Province, Thailand | 1989 |
| Tanzania | 6 | An analysis of the farming system in the Tarime Highlands, Tanzania: Implications for research and development | 1989 |
| Mexico | 5 | Coffee based farming system of Tlapacoyan, Veracruz, Mexico | 1988 |
| Sierra Leone | 4 | A study of farming systems in the South-East of Bombali District Sierra Leone | 1988 |
| Zimbabwe | 3 | Household reproduction and community requirements: Analysis of the agroecosystem of South Chirumanzu Communal Area, Midlands Province, Zimbabwe | 1988 |
| Togo | 2 | An analysis of the farming system in Elavanyo Territory, Plateau de Dayes, Togo | 1988 |
| Togo | 1 | Analyse du système de production agricole du territoire d'Elavanyo, Plateau de Dayes, Togo (French version Working Document no. 2) | 1988 |
